Re: *Fuentes v. Dish Network, et al.*
U.S. District Court, Northern District of California, Oakland Division
Case No. 3-16-cv-02001-jsw

Dear Judge White,

The parties have met and conferred extensively with regard to the issue of discovery. The parties have agreed to mediate the matter before the Hon. Ronald Sabraw at JAMS after the Court's ruling on Dish's Motion to Dismiss. The parties have agreed that an informal exchange of information and documents is necessary in order to have a constructive mediation and are in the process of working out issues relating to the information to be provided by the parties prior to the mediation, including information related to class statistical information and class discovery that is reasonably available to Dish. Therefore, there is no need for the Court to become involved in discovery issues at this time.

Very truly yours,
